The numbers speak for themselves. It has been another banner two months for the TBM 700/850 market with eleven TBM's trading hands. There are a total of twenty five TBM's for sale which is less than ten percent of all the TBM's manufactured. Interest level from prospective buyers is high and with supply very limited we expect prices to stay stable or possibly to increase over the next several months.

Please take a moment to visit our website at www.caijets.com to learn more about the TBM 700 and view the following TBM 700's we have for sale.
