***Owned or exclusively represented by Corporate AirSearch Int'l., Inc.**

I think an all time record has been set in the pre-owned TBM 700 market, for the number of sales in a two month period. There was a total of six TBM 700's sold ranging from a 1991 year model all the way to a 2000 TBM with only 380 hours total time since new. There are now only eight TBM 700 "A" models available. The activity in the TBM market has been outstanding especially considering the uncertainty with the economy, stock market and the uncertain Middle East situation. The Pilatus PC-12 market and Meridian market continue on their downward spiral with a total of 42 PC-12's for sale and 21 Meridians for sale. The TBM 700 has withstood the test of time and continues to remain a stable investment. For those buyers who have missed out on the purchasing frenzy over the last two months we would suggest you act now before the availability and choice become severely limited. We have two outstanding TBM 700's here in the U.S. for sale S/N 53 and 130 and one in Australia S/N 69.

We would like to welcome the following new TBM 700 owners:

- Butch Stevens 1991 TBM 700, S/N 11
- Jeff Block 1992 TBM 700, S/N 27
- Doug Carlson 1992 TBM 700, S/N 34
- Don Fitzpatrick 1992 TBM 700, S/N 59
- John Hayes 1996 TBM 700, S/N 116
- Phil Haag 2000 TBM 700, S/N 177

Please visit our website at www.CaiJets.com to view pictures of the TBM 700's we have available for sale and lots more information on the TBM 700. If you know of someone who is interested in receiving our newsletter please have them sign up at http://www.caijets.com/TBM_700NLet_Form.htm.

If you are ready to take the next step to purchase a TBM 700 please let us know. We can offer attractive financing packages and have the ability to take trades. We look forward to hearing how we can be of assistance.

Thank you,

James P. Hanley
VP Sales & Marketing
